Closentry

PARTNER PROGRAM

Give your clients a month-end close that works. Earn every year they renew.

Closentry reconciles bank, supplier, customer, control and intercompany accounts on the client's own Windows PCs - with two-person sign-off and a signed audit trail.

25%
recurring commission

For ERP implementers

Add reconciliation and the month-end close to every implementation.

- Reads exports from any accounting system
- Account reconciliation from the trial balance
- No server to host - runs on the client's PCs

For accounting firms

Reconcile clients' accounts in minutes and hand over evidence.

- Several companies in one app
- Reviewer sign-off, signed audit trail
- Any currency, two or three decimals, Arabic interface (preview)

How it works

1

Apply

We send your partner agreement, a demo licence and your partner code.

2

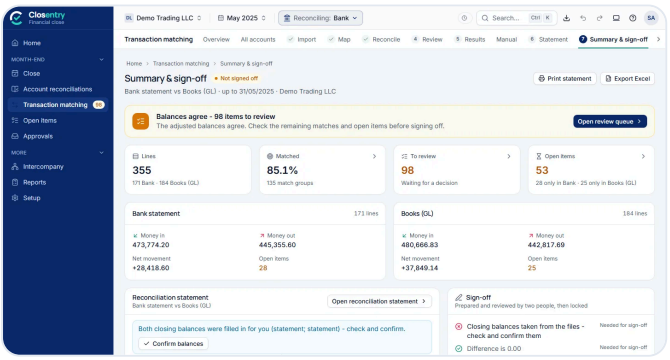

Trial with each client

Every client gets every feature free for 30 days, on their own statements.

3

Close clients, earn yearly

25% of what the client pays - the first year and every renewal.

Commission terms

Commission	**25% recurring** on licences of clients you bring
Paid on	The first year, every renewal, added seats and upgrades
Payout	Monthly, for licences paid the month before
Invoicing	We license and invoice the client; you earn
You also get	A free licence for your team, trial extensions, guides and 17 tutorial videos
